Disclaimer: (Please read carefully):

The information contained in Nourishing Journey's workshops is for educational and informational purposes only, and is made available to you as self-help tools for your own use. We provide information concerning, but not limited to, spirituality, the maximizing of the human experience and optimizing wellness. We share general concepts, documents, recommendations, and other related information that is aimed to help you empower yourself to take your life into your own hands and into your own responsibility.

Presenters may provide information, but it is not meant to replace treatment from a licensed medical or psychological health care provider. It will complement all forms of medical treatments as well as all natural and alternative therapies. Presenters do not diagnose conditions, perform medical treatments, prescribe medications, or interfere with the treatments provided by your professional health care providers and we do not guarantee results.

By Signing you agree to these terms. By giving us your email, you agree to receive our Nourishing Journey's newsletter but can unsubscribe at any time.
